TERMS AND CONDITIONS

This puppy is guaranteed to be in good health, properly vaccinated, tested and treated for any intestinal conditions. Rockin' Rose's Standard Poodles, hereby referred to as "breeder," will provide health records for this puppy. This guarantee is applicable to the original purchaser for three days. If within three (3) days after being delivered to purchaser the puppy is determined by a licensed veterinarian (breeder not responsible for veterinarian bills) to have any life-threatening illness or disease, the breeder will replace the puppy with one of equal value when available. Puppy must be returned to breeder with documented proof of said illness or disease within seven (7) days of purchase (breeder not responsible for transportation costs). Breeder maintains no liability after the seven (7) day period expires.

This puppy is guaranteed to the original purchaser for one (1) year against hereditary or genetic diseases and two (2) years against hip dysplasia from the date of purchase stated above. If the puppy is found to have serious, defined as physically debilitating or life-threatening or as otherwise determined by breeder, hereditary or genetic disease, breeder will replace the puppy with one of equal value when available. Documentation of said disease from a licensed veterinarian is required. Breeder reserves the right to have the puppy examined by a licensed veterinarian of its choice to verify diagnosis before replacing.

This puppy is not sold on a trial basis. It is agreed that you are committed to the puppy's good health and well-being for the life of this dog. If a situation arises where you are unable to keep or properly care for the puppy, please contact breeder and we will attempt to the best of our abilities to place the dog in a new home. We offer no guarantees that a new home will be found. In the event that no satisfactory home as determined by breeder's standards can be found in a reasonable and prudent time period, the situation will be resolved on a case-to-case basis. Please be advised that no refund in part or whole will be given.

Buyer acknowledges that care and training are the Buyer's responsibility. No other warranties or guarantees, expressed or implied are made under this contract except as stated above. Size, weight, color, and behavior is not expressly or implicitly guaranteed.

Puppies are sold with AKC limited registration unless otherwise agreed upon by breeder.

I understand by signing this agreement that I have entered into a legal and binding contract. I acknowledge that I have read, understand and agree to the terms and conditions outlined above.
